MEMO ENDORSED

Telenor Mobile Communications AS v. Storm LLC  
07 Civ. 6929 (GEL)

Dear Judge Lynch:

On behalf of all parties in the above-entitled proceedings, I write regarding several housekeeping items.

1. Two 25 page memoranda were filed in opposition to Petitioner's motion for an Order of Contempt, one by respondent Storm LLC, and one by Altimo Holdings and Investments Limited, Alpren Limited and Hardlake Limited (all four, collectively, "Respondents"). Petitioner Telenor Mobile Communications As ("Telenor Mobile") respectfully requests that it be permitted to file a single reply memorandum, not to exceed 15 pages, in further support of its motion. Respondents do not oppose this request. \*

2. Pursuant to the current scheduling order, Telenor Mobile's reply papers are due on Wednesday, March 5. In order to accommodate my personal schedule, I respectfully request a one-day extension for those papers, until Thursday, March 6. Respondents likewise do not oppose this request. \*

3. Pursuant to Section 2(c) of Your Honor's individual practices, courtesy copies of all opposition and reply papers would be provided to Chambers the same day, the adjourned date of March 6, assuming that Your Honor grants the requested extension. However, Respondents would prefer to submit their papers on the original date fixed for reply papers, Wednesday, March 5, in order to allow the Court additional time to review their papers. Respondents note that their papers are quite lengthy and have not been filed electronically because they have been filed under seal. Telenor Mobile has no objection to that request.
